

STATE FLOOD ASSESSMENT PANHANDLE WORKSHOP

- WHO:** Floodplain administrators and others with flood-related responsibilities
WHAT: Panhandle Flood Assessment Workshop
WHERE: Texas Tech Innovation Hub, 3911 4th Street, Lubbock, TX 79415
WHEN: Thursday, April 5th, 10:00 a.m. to 12:00 p.m.
WHY: Stakeholder participation is critical to the success of this effort

Three goals drive the effort to create the first State Flood Assessment, a forthcoming report by the Texas Water Development Board:

1. assess risks and roles;
2. estimate flood mitigation costs; and
3. determine the future of flood planning in Texas.

The workshop agenda will include:

- opening remarks;
- an overview of the flood assessment timeline and highlights of early survey results; and
- workstations to gather feedback and engage floodplain administrators on the topics of flood risk assessment, flood mitigation, and the future of flood planning in Texas.
